Dear Scheme Member

**THE LOCAL GOVERNMENT PENSION SCHEME**

We have been informed there has been a reduction to your pensionable pay; this may have consequences to your final pay, and subsequently to your retirement benefits, if you leave or retire within 10 years of this change.

However, Regulation 10 of the LGPS gives protection to scheme members whose pensionable pay has been reduced within the period of 10 years prior to your last day of active membership within the Pension Scheme.

If you do leave or retire within a 10 year period of the reduction you will need to contact your employer to ensure your correct final pay details are passed onto the Pensions Section.

Yours sincerely
